## Through Our Bifocals

BY WOODSON CROSS

Fire losses continue to be an economic burden to Benton and all of Marshall County.

The losses, for the most part, are due to the carelessness of individuals in the prevention of fires and to the lack of sufficient equipment and personnel to combat fires once they have broken out.

Benton, Calvert City, Hardin and Gilbertsville maintain trucks and volunteer firemen in an effort to curb fire losses.

The remainder of the county has no protection whatever from fires.

And fire losses throughout the county are high. This also means that fire insurance rates are high, because insurance companies must base their rates on losses.

AN EAST KENTUCKY town, Grayson (pop. 2,000) has not had a fire in 14 months; since December 1955.

Citizens of Grayson consider themselves lucky. And they are lucky. But they also probably are a little more careful about fire hazards than many other communities.

Glasgow maintains two fire trucks and a 25-member volunteer fire department. These volunteers are paid only \$2 each per fire call.

And Glasgow permits one of its trucks to make calls out in the county to aid communities without fire-fighting equipment.

The Glasgow Fire Department each year sponsors a carnival to get extra needed funds to increase the efficiency of the department.

BENTON IS LARGER than Glasgow, but only has two trucks and about the same number of volunteer firemen.

The City of Benton, we believe, could afford to hire one full-time fireman, who would, of course, be the chief of the volunteer crew.

Such a financial move might require cutting the budget of some other city department but we believe it would prove a wise and sound investment from the long-term standpoint.

A paid chief would be on duty all day. He would be able to keep the equipment in readiness for any emergency and would be at the fire station ready to start the truck the minute an alarm sounded. He could have the truck at the scene of the fire by the time volunteers now arrive at the fire station. Such alertness and efficiency certainly would reduce fire losses here considerably.

City officials would do well to consider such an improvement in government. We believe such a move would be endorsed by all citizens of Benton.

KENTUCKY VOTERS, even the straight-ticket Democrats, must have noticed the speed with which U. S. Senators John Sherman Cooper and Thurston Morton responded to the call for help from flood-stricken East Kentucky.

Senators Cooper and Morton appealed immediately to President Eisenhower and within a matter of hours help was on the way to the stricken area.

These two capable lawmakers have gotten off to a good start in Washington. They are do-ers, and their accomplishments, no doubt, will be many during their terms in the U. S. Senate.

Both men are more statesmen than politicians and have the interests of all Kentuckians at heart. As time goes on, we believe Kentuckians will be extremely proud of sending these two outstanding men to Washington.

ABRAHAM LINCOLN still is making a living" for 500 persons, although he has been dead almost 100 years.

Lincoln, probably our most quoted and written about president, is still in the minds and hearts of millions of persons.

As a result, 500 writers, printers, mailers, etc., make their living from Lincoln.

LEE BURD of Route 2 was a doctor in the Courier's news last Saturday. Mr. Burd came in to renew his subscription and chat awhile.

Said Mr. Burd: "I can't do without the paper this year. I want to keep up with county politics."

WEEK'S LAUGH --- An old-time country doctor parked his Model T Ford on the street. The immediately became a curiosity to a group of teen-age boys.

The doctor climbed out of the car and calmly remarked: "The car's paid for, boys." And then, as an afterthought, he added, pointing to first one boy and then another: "But you're not, are you or you."

## Church to Erect New Building

The congregation of the First Missionary Baptist Church of Benton voted last Sunday night to erect a new church building.

The new structure, according to present plans, will be located on the corner of Main and 13th Streets, directly across Main Street from the Lampkins Buick Co.

A frame dwelling now on the site is used by the church for Sunday School classes. The frame building would be moved.

The new church building would include a sanctuary, choir loft and some individual rooms. The old church structure would be used for an educational building.

Preliminary estimates call for a building to cost approximately \$70,000.

The new structure will be patterned somewhat after the new Assembly of God church building located on the Belt Line in Paducah. Members of the building committee recently went to Paducah and inspected the Assembly of God building there.

No date has been set for starting work on the new building.

CANDIDATE - Milburn Jones, above, is a candidate for re-election to the office of county tax commissioner. His formal announcement will be made later.

PLAY WILL BE GIVEN BY AURORA HOMEMAKERS

The Aurora Homemakers Club is sponsoring a three-act comedy Friday night, Feb. 15, at 7:30 o'clock.

The name of the play is "Mammy's Little Wild Rose." Admission will be 25 and 50c.

A local string band will also be a part of the entertainment.

Douglas Wiles of Route 5 was in town Saturday on business.

## John Sledd Makes His Formal Announcement

TO THE CITIZENS AND VOTERS OF MARSHALL COUNTY:

Several weeks ago I indicated that I would become a candidate for sheriff of Marshall County. Since announcing my intentions of becoming a candidate I would now like to outline some of the policies that I shall endeavor to carry out if elected.

In presenting my claims to you for this place, I do not do so as a stranger. I was born and reared on a farm near Gilbertsville and resided there until I went out upon my own as a young man in Marshall County.

In 1933 Serilda Myers and I were married, after which we made our home, for almost ten years, in the Union Hill community, near Hardin.

In 1943 we moved to Benton, after which I operated what was known as Sledd's Texaco Station for a short time. Then I entered the military service.

After I was discharged from military service I resumed the operation of Sledd's Appliance Store on the square in Benton.

During my young manhood I served as Deputy Sheriff of the late lamented Walker Myers, and, therefore, I had ample opportunity and experience to gain some useful knowledge in the conduct of this office.

I am a member of the First Missionary Baptist Church at Benton, and have served as Church Treasurer for the past six or seven years. I am proud to say that I was born and reared by Christian parents, and it was their desire, that first of all, I live as a Christian gentleman, and this I have tried to do.

I have always been interested in the civic affairs of Marshall County. I am a member of T. L. Jefferson Lodge No. 622 Free and Accepted Masons. I am a Charter Member of the Benton Rotary Club. I was also Charter

Member of the Benton Junior Chamber of Commerce, which was active in many useful efforts, and may I add that it was under the leadership of the Junior Chamber of Commerce that the construction of our Community Building was possible, and in my humble opinion it has served an excellent purpose in Marshall County, and will continue to do so as time goes on.

For eight years I was a member of the Benton City Council, and made an honest and sincere effort to serve the people's best interest, in return for the confidence they reposed in me. I am an active member of the American Legion, and have been since I was discharged from military service.

I believe as a result of my connections as Deputy Sheriff of Marshall County, as a Member of the City Council of Benton, and as a member of the Civic Clubs mentioned above, that I have thereby become better prepared to serve you.

There is much talk of juvenile delinquency, and perhaps

## Mrs. Henry Lovett Is Nominated as Mother of the Year

Mrs. Mayme Rudolph Lovett, wife of Circuit Judge H. H. Lovett Sr., of Benton, has been nominated as a candidate for Kentucky "Mother of the Year."

Mrs. Lovett was nominated by the Senior Woman's Club. She will compete with other candidates throughout the state for this outstanding honor.

The statewide winner will be announced at a meeting to be held in Benton in April.

Mrs. Lovett is a native of Marshall County, having been born on July 31, 1885, near Sharpe. She was the daughter of R. H. and Sylvia Jane Phelps Rudolph.

She attended school at Sharpe and Benton and on June 4, 1907, was married to H. H. Lovett.

Mrs. Lovett for many years has been active in civic and church affairs of Benton. She has been a leader in the Eastern Star, the WSCS and Women's Class of the Methodist Church and the Woman's Club. She also is an active member of the Old Southern Harmony Singers.

Mr. and Mrs. Lovett are the parents of six children: Mrs. Albert Nelson, Mrs. Jane Bradley, and one great-grandchild.

MRS. LOVETT

John Clay Lovett and H. H. Lovett Jr., all of Benton; Mrs. Mary Brooks Cross of Murray, and Mrs. Alene Sauley of Stanford, Ky. There are 13 grandchildren.

## H. Morgan Seal Sale Chairman

Hatler Morgan has been named chairman of the 1957 Easter Seal appeal for crippled children in Marshall County. Mr. Morgan, cashier of the Bank of Marshall County, also is a member of the board of managers of the West Kentucky Center for Handicapped Children at Paducah.

O. L. McElroy, Eminence, state chairman for the sponsoring Kentucky Society for Crippled Children, announced the appointment.

The month-long drive opens March 21. A week later, Easter Seals will be mailed to 400,000 Kentuckians with letters asking for contributions to expand the work of the Kentucky society.

Easter Seal funds last year financed medical and hospital care, special schooling, therapy, equipment such as braces and crutches and hearing services for 2,600 children. The 1956 program cost the Kentucky Society \$267,787, of which \$217,402 was raised by the Easter Seal sale.

## Rites Held For Harlan Nunley, Crash Victim

Funeral services were held at the Filbeck-Cann Chapel Monday afternoon for Harlan A. Nunley, 36, who was fatally injured early last Saturday morning when his car collided with a tractor-trailer 10 miles south of Marion, Ill.

Lake Riley and Huie Hartsell officiated at the funeral services, and burial was in the Birmingham Cemetery.

Funeral bearers were Louis Bradford, Harold Lovins, Voice Wells, E. C. Livingston, Lee Wright and Wilbur Calvin.

Mr. Nunley was a former president of the Plumbers and Steamfitters Local 184 Paducah, and had been active in Union affairs since 1942. He was employed by Miller-Johnson Construction Co. at Calvert City, and lived with his family at Gilbertsville.

He was a member of the Church of Christ and of Calvert City Masonic Lodge No. 543. During World War 2, he served as a machinist mate in the U. S. Navy. He was reared at Birmingham and was a graduate of old Birmingham High School, where he was a basketball star.

He is survived by his wife, Mrs. Venice Nunley; one son, Robert Louis Nunley; one daughter, Deloris Nunley; and his father and stepmother, Mr. and Mrs. Bob Nunley of Benton.

Funeral services were held Monday afternoon at the Collier and Peak Funeral Home by the Revs. J. Frank Young and Paul Dailey. Burial was in the Benton Cemetery.

She is survived by the daughter, Mrs. Cross, a granddaughter, Mrs. Eugene Anderson; three great-grandchildren all of Benton; one sister, Mrs. J. T. Greer of Ozark, Ark.

Mrs. Fisher was a member of the Baptist Church in Ozark, Ark. She and Mr. Fisher lived in Benton for several years before his death. She went back to Ozark after his death but did not stay long and returned to Benton to reside.

LITTLE DENIES HE WILL QUIT RACE FOR SHERIFF

George Little, candidate for sheriff, this week denied a rumor that he intends to withdraw from the race.

Mr. Little stated emphatically that he has no intentions of quitting the campaign, and that the idea has never even occurred to him. He says he is very busy in the campaign and plans to increase his activities as election day draws closer.

He added that his formal announcement will appear next week.

AARON BAREFIELD TO ASK FOR RE-ELECTION

Aaron Barefield, magistrate in District 3, announced this week that he will be a candidate for re-election to the office.

Mr. Barefield will make his formal announcement at a later date.

## Phillips, Kinney Are Re-elected As Fair Leaders

Curt Phillips was re-elected board chairman and manager of the Marshall County Fair Association at a meeting Monday night of the association's board of directors.

Twenty-five of the 31 directors attended the dinner meeting, which was held at the Chevrolet Cafe.

Jim Kinney was re-elected vice chairman and assistant manager. Mr. Kinney is in California on vacation and was not present at the meeting.

Lophus Hiett was re-elected secretary of the group.

Macon Hutchens was chosen as the new treasurer of the fair, with Errett Starks and Myrvin Mohler named as his assistants.

H. H. Lovett Jr. was named legal counsel of the group. Shelby McCallum caused a roar of laughter when he facetiously suggested that B. L. Trevathan and Toad Brien be named as Mr. Lovett's assistants. Mr. Trevathan laughingly reported that he no longer is "Practicing" law.

Four new directors were elected to the board to bring the membership to 35. The new members are Ralph Moore, W. L. Frazier, Jack Bailey and Carl Wade Chester.

Lophus Hiett read the minutes of last year's election meeting, and reported on the financial condition of the fair association. He said that at last year's meeting, the fair had in its treasury about \$1,900. At this year's meeting, the treasury had about \$2,450.

Meantime, the fair had paid off its annual note and made several improvements to the fairgrounds.

The directors gave Mr. Phillips and Mr. Kinney authority to appoint an executive committee to work with them in conducting this year's fair, which will be held the week of July 16.

Mr. Phillips reported that he already had engaged the Lawrence Bros. carnival for this year's fair. The carnival will pay the fair association a flat \$1,000 rental to appear at the fair.

County School Superintendent Holland Rose reported that schools will not be in session in July and therefore it will be impossible to have a school day at this year's fair.

Directors discussed an idea of having a children's day, but took no definite action.

Mr. Phillips proposed the fencing in of the fairgrounds and discussion centered upon the planting of a multiflora rose hedge as the type of fence. A committee was appointed to look into the problem of getting the multiflora rose and getting it set out.

Heart Sunday will be Feb. 23. On this day, an especial effort will be made to get donations for the Heart Fund.

All ladies who might be interested in this project are urged to notify Jimmie Small of Darrison Werner, leaders in Benton of the Heart Fund campaign. Workers for the drive are needed. Won't you help?

## Benton Wins 2 More Games

Playing two nights in a row, Benton's Indians defeated two foes this week to run their victory string to a neat 22 games. They have lost only two games this season.

Coach Farris' eagles nosed out Cunningham Monday night in an overtime struggle, 43 to 41, and defeated Heath Tuesday night 74, to 58. Both games were played in the Benton gym.

Benton was off-form in the Cunningham game and had trouble all evening with the visiting quintet. The first quarter score was 12-12 but at halftime, Benton led 25-21. However, in the third quarter Cunningham led 29-28 and the score was knotted 41-41 at the end of the regular playing time. Bear Stone tossed in a field goal in the overtime to grab the uneasy victory. Dailey scored 12, Stone and Gammel 10 each, Jackson 6, Morgan 3 and Peck 2.

Benton led Heath 36-32 at halftime but came back in the

third period to roll up a 58-44 margin and had little trouble the rest of the way. Paul Dailey was tops for Benton with 21 points. Stone got 19, Gammel 14, and Jackson and Peck, 10 each.

Benton will play Tilghman Friday night at Paducah.

South Marshall walloped Lowes 81 to 66 Tuesday night at the Lowes gym. Harold Wilkins led the Rebels with 24 points. Portis scored 19, and Ross and Miller tallied 17 points each.

J. D. Woods and J. B. Holland of Gilbertsville were shoppers in Benton Monday.

Mr. and Mrs. Wilford Chandler of Route 7 were Saturday shoppers in town.

Mrs. Gusta Peck and Mrs. Vera Barker of Route 6 were shoppers in Benton Monday.

**Older Folks Need  
More Protein and  
Less Starchy Food**

For people of advancing years, the importance of eating the right foods in proper amounts cannot be overemphasized, says Mrs. Paul Haak, University of Kentucky Extension foods specialist.

Protein foods—milk, meat and eggs—are particularly needed, she said, to repair and build up body tissues. The daily use of such foods will contribute to a feeling of well-being and to those physical characteristics that reflect good health, she said.

In general, more protective foods—the vitamins and minerals—are needed along with proteins, but fewer starches and sugars, the high-calorie foods.

The daily food supply, which should include the following for each older person, might be served in the usual three meals with mid-morning and mid-afternoon snacks, said Mrs. Haak:

- 1 pint milk
- 1-4 pound lean meat.
- 1 egg
- A serving of citrus fruits or tomato juice
- Green or yellow vegetable
- Three other servings of fruits or vegetables (total of five)
- Whole grain and enriched bread and cereals
- Butter
- Fats and fried foods retard digestion, and should be reduced in amount by older people, said Mrs. Haak.
- Crackers, doughnuts and sweet rolls are not usually made of vitamin-enriched flour, she said. When they are used for snacks, the body is deprived of necessary vitamins.

### "Founders Day" Is Observed by P-TA Of Calvert School

The monthly meeting of the Calvert Grade school P-TA was held Monday, Feb. 11, at 7:30 o'clock. Huey Hartzell, pastor of the Church of Christ, led the devotional.

A very interesting program on "Founders Day" was presented by Miss Laverne Howard, Fanny Williams and pupils of the Fourth grade.

After the program a business session was held with a discussion of the annual negro minstrel to be given on April fifth and sixth.

It was also discussed as to whether more chairs should be bought for the school. A committee appointed will give its report later.

A nominating committee for 1957 and 1958 Club officers was appointed.

A silver tea was held, as is the usual custom, with the Founders Day program. Mrs. James L. Draffen, hospitality chairman, presided.

Mrs. Larry Braun of Detroit is visiting her mother, Mrs. Frankie Eley, in Benton.

Mrs. Artie Turner and Mrs. Eliza Edwards were shoppers in Paducah Wednesday.

### Scouts Are Guests Of Calvert Lions; Jack Fox Speaks

The regular meeting of the Calvert City Lions club was held Thursday at 7:30 p. m. at the Gypsy Tearoom.

Milton Nelson led group singing.

Shelby Johnson, assistant Scoutmaster of Troop 65, was introduced.

It was announced that the directors will meet Thursday night, Feb. 14, at 7:30 at the home of Earl Gray.

Seventeen members of Troop 65 were introduced. They were guests of the club for dinner.

Jack Fox was introduced as guest speaker of the evening. Mr. Fox is a scout executive of the Four Rivers Council.

Mr. Fox talked about the purposes of scouting and the observance of the 47th anniversary of scouting in America.

George Little then suggested to the club that the basketball team, coach and cheerleaders of the North Marshall school be the guests of the club at its next meeting. The vote taken was unanimous.

Mr. and Mrs. Robert Edwards of Benton Route 1 are the parents of a girl born February 9 at the Murray Hospital.

**CORRECTION**  
In the advertisement of Buschmann's, 500 Broadway in Paducah, last week, the Courier erroneously transposed the prices on two Doris Dodson dresses. The Torso dress should have been priced at \$22.95 and the Sheath dress at \$15.95.

Mr. and Mrs. Elbert Fisher, of Gilbertsville, were shoppers in town Wednesday afternoon.

**COMMANDERY TO MEET**  
Benton Commandery No. 46 will hold its regular meeting Friday night, Feb. 15, at the Masonic Hall. All Sir Knights should be present.

Wilburn E. Henson and sons of Route 4 were shoppers in Benton Saturday and while here renewed their subscription to the Courier.

## TAX FACTS No. 3— Tax Hints for Car and Home Owners

(This is one of a series of articles on federal income tax hints. These articles are based on information provided by the American Institute of Accountants, and the Kentucky Society of Certified Public Accountants in cooperation with the Internal Revenue Service.)

Your home and you can may be the source of deductions that will lower your federal income tax. It is important to check all possible deductions because of the savings involved. If you are in the lowest bracket—20%—each \$5 you can find in deductions may mean a dollar in your pocket. For persons with higher incomes the possible savings are even greater.

The interest on a mortgage is deductible on your federal tax return. In most cases, payments to a bank include both interest and principal, as the mortgage is repaid. The interest is less and a larger portion is applied to the principal. Only the interest is deductible in the case of your residence.

**Real Estate Taxes**  
Sometimes the monthly payment also includes an additional amount which the bank holds for the payment of taxes, insurance, etc. In this case the bank is acting as your agent in paying tax on your property. Real estate taxes paid by the bank for you are deductible as if you had paid them directly.

If your home had been damaged by fire, storm or flood, you may be covered by insurance. If so, the amount of the loss is calculated by comparing the fair market value of the property just before and just after the casualty. This loss, or the cost of the property, whichever is lower, is reduced by any insurance recovery to determine the loss for tax purposes.

When large amounts are involved it may be wise to have an expert appraisal made immediately after the casualty.

### When You Sell a Home

You are not allowed to deduct any loss you may suffer on the sale of your personal residence. However, even if you may be required to pay tax on a gain resulting from selling the home at a profit.

If, however, you buy and occupy another home within one year, before or after, the gainful sale of your former home, you are not taxed on the gain at the time of the sale. Alternatively, you can start construction of a home within a year, and occupy it within 18 months after the sale of your old home. If the new home costs as much as you received for your old one (with allowances for certain "fixing-up" expenses), you are not taxed on the gain. If you new home costs less, the gain is taxable to the extent of the difference. In any

event, you are required to submit information concerning any sale of your home at a profit, whether or not the gain is taxable.

When you buy a home you generally agree with the previous owner on a schedule of adjustments for taxes, insurance, water rates and similar items. However, you and the previous owner can deduct the real estate tax in proportion to the number of days of the property tax year that each of you held the property—whether or not you have properly agreed to apportion the tax. You are considered to have paid your share of the tax when you bought the home. This applies to any real estate you may have purchased during 1956.

**Deductible Auto Expenses**  
From the time you buy an automobile you begin to have other expenses which are deductible on your federal income tax return. Any state or local sales tax you paid on the purchase is deductible. So is the cost of your license, plates, state inspection fees and interest on an auto loan.

A common deduction in many taxpayers' returns is for state gasoline tax. It is best to keep a record of your gasoline purchases during the year, but if you don't have such a record you can still make a reasonable estimate.

If you had a collision, you may be able to deduct the damage to your own car not covered by insurance. Although deducting may have been faulty, you are entitled to the deduction if the accident was not due to your negligence.

Such a loss, or loss from fire, theft or other accidents is determined in the manner described above in connection with damage to a home. The instruction book which comes with your tax forms gives further information. Help is also available by telephone or at offices of the Internal Revenue Service. The Revenue Service strives to consult a properly qualified advisor if you decide to seek outside help.

## Postal Group Will Gather At Mayfield

Western Kentucky postal workers and their wives will gather at Mayfield Saturday, Feb. 16, at 6:30 p. m. for a big rally.

Similar meetings will be held all over the nation during the week of Feb. 10-16, according to Robert Smith, president of the Paducah local, Letter Carriers Association. Mr. Smith also is state executive officer of the Kentucky Letter Carriers Association.

The Mayfield meeting will be held in the American Legion Hall just south of the Court Square. Dinner will be served prior to the business meeting.

A large attendance is anticipated because the meeting is of vital importance to everyone connected with the postal service, regardless of their position or whether they are members of any postal organization.

All workers and their families are urged to attend.

### ROBBY EDWARDS NOW WITH ARMY IN GERMANY

Army Pfc. Robby L. Edwards, 25, whose wife, Wanda Jean, lives at 1205 Birch Street, Benton, is assigned to the 62nd Antiaircraft Artillery Battalion in Germany.

Edwards, son of Frank Edwards, Route 7, is an assistant small-arms repairman in the battalion's Battery C. A former employee of the Ashley Produce Company, he entered the service in 1955 and went overseas last July.

Mr. and Mrs. Paul Castleberry of Route 2 were shoppers in town Friday.

**OL' LEAD FOOT**—Replacing the traditional ball and chain in Eu Claire, Wis., is this 18-pound lead-soled boot. Designed by County Sheriff Lloyd Thompson, shown holding the device, it will be used in transporting prisoners. Thompson thought of the boot, which is locked on the foot with the chain, after losing a prisoner in transit last fall.

## Postoffice Pens Gone, and Suspect Isn't Letter-Writer

Stop, thief!  
The thief who has been taking the ball point pens from the lobby of the Benton postoffice is advised to stop doing it.

The pens are on a steel string and attached to the writing desks, so an absent-minded person is not responsible for the missing pens. An onery thief is responsible.

### Frank Tomsic New Shift Foreman at Goodrich Chemical

Frank G. Tomsic has been promoted from operator to shift foreman in the vinyl chloride plant at B. F. Goodrich Chemical Company's Calvert City plant, it is announced by Walter Brodine, plant manager.

Tomsic originally joined BFG in 1945 as an operator helper at the company's Louisville, Ky., plant. In April, 1952, he left the company for a short time, re-joining the chemical firm in January, 1953, as a second class chemical operator at the Calvert City plant.

In April, 1953, he was reclassified as a first class chemical operator, a position he retained until his present appointment. Tomsic is commander of American Legion Post No. 236 in Calvert City, assistant cubmaster for Cub Pack No. 65, and co-manager of the Calvert City Little League baseball team. He served for three years in the U. S. Navy as a first class petty officer in the "Seabee" Corps.

Mr. and Mrs. Jim Borders of Route 4 were Friday shoppers in town and while here renewed their subscription to the Courier.

William Washburn of the county was in town Saturday on business.

### County Soil Notes

BY HERBERT ANDERSON

(Left From Last Week)

Black locust, loblolly, shortleaf, and white pine, and poplar seedlings can be purchased from the Kentucky Division of Forestry. The cost is seventy cents per one hundred. This is the smallest order you can make. It takes a 1,000 to set an acre when they are set six by seven feet apart. Shipping will begin about February 20.

Stop by my office. I have the order blanks. I will help you fill out one.

ACP will pay you \$1.60 per 100 trees set for erosion purposes or \$16.00 per acre where set for forestry purposes.

TVA will give you loblolly pine seedlings free. On these ACP will pay you \$1.00 per 100 trees to set to control erosion or

\$10 per acre where set for forestry purposes.

Tree seedlings need to be protected from grazing. ACP will pay \$2.40 per rod on woven wire and \$1.12 on barb wire.

To get your ACP payment you have to sign an application before you set them.

The Soil Conservation Service can help you decide which species is best adapted to your planting site.

The vocational agriculture classes at South Marshall High School will set your trees for you again this year. See one of the boys or Glen Warren, their teacher.

Tree planting is one of the most needed soil and water conservation practices in the Marshall County Soil Conservation

District. This is true in spite of the fact that a large percentage of our land is already covered by trees.

Have you placed your order for fish yet? If not, better hurry. Burnett Holland tells me he has to close the door real soon. You will get them sometime in March. It looks as if there will be enough water in your pond to swim them.

Holland Henton of Route 7 was in town Friday on business and while here renewed his daughter's subscription to the Courier.

Mrs. Fred Filbeck and Debra Fendley visited Mrs. Louella Galloway Friday afternoon.

Mr. and Mrs. Stokley Mathis of Hardin Route 1 were shoppers in town Friday.

Mrs. E. A. Moore of Route 4 was a shopper in town Friday.

Therefore being justified by faith, we have peace with God through Our Lord Jesus Christ. (Romans 5, 1.)

Just as He promised, Our Lord Jesus Christ is with us always. This day, this hour, His spirit is beside each and every one of us who devoutly seeks Him. Through our unswerving faith, He will lead us to find Our Father and to know His unending love.

### John Sledd

Continued from Page 1

some of our young people have not acted as they should; in my opinion juvenile delinquency must not be laid solely and completely to the youth of our County. There are certain responsibilities that we parents must face; and through our efforts we can help make useful citizens of many of them. Being the father of four children, two boys and two girls, I feel that I am acquainted with the problems that confront us as parents, and acquainted with some of the means of solving them. You have had ample opportunity to know and judge my worth as a citizen of Marshall County, as a business man, and as a public officer as to honesty and fairness in my dealings with my fellowmen. You who do not know me will experience no difficulty in determining the kind of life I try to live in your midst, and you may find out about this from those who know me best, and I invite you to make any inquiry you may choose to make.

I have always been for advancement and improvement of our County, and especially the churches and schools, and such other agencies that make them better.

I believe in honest and adequate enforcement of the law without fear or favor, and if elected sheriff it will be my purpose to enforce the law and to use my best efforts as sheriff to do so. I will not enforce the law unjustly on anyone but I will cooperate with other officials of Marshall County in every way possible, to make it a better place for all the people. I shall also use by best endeavors to cooperate in every way I can that would be expected of me as sheriff; I will devote my full time to the duties of the office. The office of sheriff deserves the full time of anyone who occupies this place of importance.

It is my purpose and desire to see as many voters as possible before the Primary Election, but if I fail to do so, please inquire of my record before you cast your vote, and if, after doing so, you can cast your vote for me I will greatly appreciate it.

Very cordially yours,

### Paducah Dry Goods Will Hold Contest For Teen-age Girls

A typical American teen-age girl will be chosen "Miss Thermo-Jac of Western Kentucky" in a contest to be held next Saturday, Feb. 16, in the College-Teen shop in Paducah Dry Goods Co., it was announced by Sam Handmaker, general manager of the store.

The contest winner will be awarded a Thermo-Jac outfit and will appear in one of the store's coming fashion shows or ads.

To enter the contest, teen-age girls need only to go to the store next Saturday for an identification photo and interview. Selection of Western Kentucky's "Miss Thermo-Jac" will be made by an impartial, outside representative of the Thermo-Jac Co.

Entrants may model any Thermo-Jac outfit in Paducah Dry Goods College-Teen Shop for the contest, he said, and may come in for their photographs and interviews at any time next Saturday, Feb. 16.

## Bible Comment: Seed Sown by God Will Not Sprout In Hearts of Stone

THE so-called "Parable of the Sower" really should have been called the "Parable of the Ground," or the "Parable of the Heart." Because the lesson is not, "Take heed how ye sow," but "Take heed how ye hear."

The parable was a favorite method of Jesus in His teaching and preaching. Sometimes today those who read the Gospels seize upon this to point out how simple Jesus' teaching was, how much it appealed to the people, and how easily it was understood.

A keener reading, however, would show how incorrect this interpretation is. The parables seem simple in their story form, but almost invariably those who heard Jesus were somewhat puzzled.

The story may have taken hold in their minds, but they did not understand its meaning. They asked Him again and again to interpret the story and make its meaning plain.

This is a parable for hearers. The seed sown is the word, and human hearts and minds the ground. God has broadcast the seed very widely but, if our hearts are stony, the seed will not take root or produce anything. If the ground of our hearts is shallow, there will be no growth or harvest.

But if we take the seed of God's word and truth into deep and honest hearts, it will bring forth fruit manifold.

This parable at least seems clear and plain when we put all the emphasis on the hearer. To make it a parable of the sower would be to pervert the real truth; for if the sower considered the ground too much, he might not sow at all. If he watched to see if every seed were taking root, he might become discouraged.

The fact that the seed of God's truth is so widely broadcast makes it important that we should carefully consider and prepare the ground of our own hearts.

## FALSE TEETH

That Loosen  
Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug counter.

## COLD-SUFFERERS

Get STANBACK, tablets or powders, for relief of COLD DISCOMFORTS. The STANBACK prescription type formula is a combination of pain relieving ingredients that work together for FASTER RELIEF of HEADACHE, NEURALGIA and ACHING MUSCLES due to colds. STANBACK also REDUCES FEVER. SNAP BACK with STANBACK.

## Quick Relief of HEADACHE

### Accidental Deaths Due to Poisoning Numerous in U. S.

There are more than 600 deaths due to accidental poisoning reported each year in this country. The actual number is probably greater, since many fatalities are due to poisoning that have been attributed to other causes. There are many other children who are seriously poisoned each year but do not die. Some who survive are left with permanent disabilities.  
Poisons contained in household agents are responsible for most of the deaths and disabilities. Drugs account for about one-third of all accidental poisonings, petroleum products, especially kerosene, for one-fourth, and materials for external use for another one-third.  
Other substances which are hazards to young children are: permanent wave solutions, shampoos, lighter fluid, rubbing alcohol, bleaching agents, antifreezes, moth balls, furniture polishes, and insecticides.  
Deserving special attention are candy flavored aspirins and candy laxatives. Children like the taste of these and could very easily consume a lethal dosage undetected.  
Mrs. Jess Collier, chairman of the safety committee, Senior Woman's Club of Benton, urges homemakers, especially mothers of young children, to take the following precautions to guard against accidental poisoning:  
1. Keep all medicines in a locked medicine chest.  
2. Be sure all bottles are clean and labeled correctly.  
3. Read label three times before giving.  
4. Place most toxic drugs on top shelf of medicine cabinet.  
5. Read label and follow directions when using any household chemical.  
6. Provide a safe place for storing household chemicals.  
7. Dispose of empty containers immediately by destroying them or place out of reach of children.  
8. Consult your doctor when any member of the family becomes ill.

## Miss Shirley Ross is Married

Miss Shirley Ross, daughter of Mr. and Mrs. Delmus Ross of Benton, became the bride of James Wyatt, son of Mr. and Mrs. George Wyatt of Owensboro, Sunday afternoon at 3 o'clock in a single ring ceremony read by Rev. Camp at the Church of Christ in Benton.

The altar was decorated with tall baskets of white gladioli and lilies, with a background of greenery. White tapers burned in candelabra. The pews were marked with white satin bows.

Miss Mamie Jo Castleberry was maid of honor and Buck Wyatt attended his brother as best man.

Traditional wedding marches were used and presented by an

a capella choir.

Mrs. Wyatt was attired in a white taffeta and net dress with matching mits and a fingertip veil. She carried a white Bible topped with white carnations.

Miss Castleberry wore a dress of pink polished cloth and a French bouquet of pink carnations.

The ushers were Joe H. Ross of Alton, Ill., and brother of the groom, and Jerry Dublin of Benton.

Mrs. Wyatt is a senior at the Benton High School and will remain here until the school year is out.

Mr. Wyatt is in the U. S. Marines and is stationed at Cherry

Point, N. C.

Out-of-town guests were Jack Wyatt and family and Miss May Wyatt of Owensboro and William Owen, cousin of the bride, of Alton, Ill.

Mrs. R. O. Vick, Mrs. Louis Lilly and Mrs. Anna Brandon attended a Hospital Auxiliary meeting at the Baptist Hospital Chapel Friday afternoon.

Mrs. Rob E. Cathey of this county has been a recent patient at the Baptist Hospital in Paducah.

Mrs. J. E. West, mother of Mrs. Linda Wyatt, is a patient at the Mayfield Hospital in Mayfield where she underwent major surgery this week.

## Valentine Theme For Junior Woman's Club Supper Party

On Thursday evening, Feb. 7, the Benton Junior Woman's Club held a potluck supper at the community building, with Mrs. Billy Peak, president, conducting the business session.

The tables were overlaid with white cloths and were decorated with red hearts and candles. In the center table was a floral arrangement comprised of red carnations and white pom poms, carrying out the Valentine theme.

Mr. and Mrs. George Long of Benton were guests of the club. Mr. Long was the caller for the folk dance, which followed the supper. Hostesses were Mesdames W. J. Brien Jr., Don Matthis, T. F. LeVan, Price Napier and Clay Holmes.

Attending members were Mesdames Weldon Nelson, Jimmy Small, Don Schrock, Joe Faughn, Jerry Burnett, Joe Brooks Prince, Jim Solomon, Bill Williams, Harry Carpenter, Frank Dunn, Jim Holland, Smith Dunn, Joe West, Alvin Austin, James Thompson, Burl Platt, Charles Jackson, George Latham, Billy Peak, Jimmy Wiseman, Travis Downs, Harold Inman and Charles Kemp.

## Mrs. H. H. Lovett Jr. Hostess to Session Of Church Group

Monday afternoon at 2 o'clock, the Woman's Society of Christian Service met in the home of Mrs. Henry Lovett Jr.

The program, "Those Who Serve," was in charge of Mrs. Bob McWaters. Mrs. Henry Lovett Sr. led the devotional.

The business meeting followed the program. At this time the various committees were appointed to serve at the district meeting of the Paducah District, to be held at the church Thursday of this week, Feb. 14.

The hostess, Mrs. Henry Lovett Jr., served spiced tea, mixed nuts and cake to 19 members and one guest. The following were present:

Mesdames George Long, Oscar Sherman, Ivory Adair, Warde Dappert, H. B. Holland, Bernie Brown, Henry Lovett Sr., Paul Darnall, Orville Taylor, William Watts, Bob McWaters, Marcus

Gurley, Lillie Cooper, Java Gregory, Darrison Werner, Harry Chapline, W. W. Holland, Alice Thompson, Lucy Taylor, a visitor and the hostess.

## Methodist Men of Oak Level to Hold Dinner Friday Night

The Men's Club of the Oak Level Methodist Church will celebrate its first anniversary Friday night, Feb. 15, with a dinner program at the church.

Dinner will be served at 6:30 o'clock.

Speaker for the evening's program will be H. Wallace Tanner of Paducah, district lay leader of the church.

Pastor of the church is Rev. W. H. Harpole.

Everyone is invited to attend the event.

Mr. and Mrs. Clay Garland left Wednesday for Miami, Fla., to visit their son and wife.

Mr. and Mrs. John have gone to Fort Worth where he is employed as a graduate of the hospital.

They visited their parents and Mrs. Henry Sweet, 5 and Mr. and Mrs. Taylor of Hardin before leaving for Fort

L. L. Warren of Hart town Saturday on bus

## Italian Fashions Show Eye-Catching Flare

The fine Italian hand of Rome's clothing designers is seen expressed in these spring fashions. Motifs are, from left: Shepherdess, abstract and peacock.

With the Italian flare for gracefully ornate fashions, one of Rome's leading fashion houses has introduced these eye-catching creations in its spring collection. Flirtatious fans sweep across the strapless bodices and full skirt of a romantic gray organza, right. Decorated with embroidered gold "leaves," the striking fans are spread in imitation of a peacock's tail. The robust charm of the shepherdess is captured in the gaily striped cotton, left. The blue and red stripes on a background of white are drawn tightly together at the tight-fitting midriff. The fitted and scoop-neckline bodice complements the naturally full skirt. In center is an abstract pattern of black-on-white silk, accented by huge, white organza collar and cuffs. The coat, a loosely fitted top with three-quarter sleeves, tops a matching dress that is bound and bowed with the same white organza.

## Circulation of Books by Library Reaches New High

Circulation of books at the Marshall County Public Library hit a new high in January—374. The library is sponsored by the Benton Senior Woman's Club. The library is being visited this week by the various home-maker clubs as a part of their work. The Clark Homemakers Club was the first to visit the library. Members of the Woman's Club and others interested in the library have written 75 letters to Congressmen and Senators, urging passage of the library service appropriations bill.

## Brownie Troop 89 Has Mothers' Tea At Church in Benton

Brownie Scout Troop No. 89 entertained with a mothers' tea in the dining room of the First Methodist Church, Wednesday afternoon, Feb. 6, at 3:30. Two new members, Linda Story and Cecilia Duncan, were invested by Scout leader Mrs. Rex Spurlock. Members of the troop committee invested were Mrs. D. E. Werner, Mrs. C. G. Morrow, and Mrs. Carl Davenport. One-year stars were awarded to the following Brownie Scouts: Charlotte Davenport, Vicki Mitchell, Ann Helton, Bobby Rider, Mary Beth Werner and Judy Morrow. Gloria Erickson will receive her star later inasmuch as she was out of town at this time. Highlight of the afternoon's entertainment was a quiz show, "I've Got a Secret," starring the following: announcer, Nancy Haymes; master of ceremonies, Mary Beth Werner; members of the panel, Judy Morrow, Ann Helton, Vicki Mitchell, and Carlette Davenport. The following contestants took part in the game, Bobby Rider, Linda Story, and Debbie Woolfolk. Refreshments were served from a beautifully decorated table to: Visitors—Mrs. Cecil Duncan, Mrs. C. G. Morrow, Mrs. Tommy Haymes, Mrs. Bob Rider, Mrs. Carl Davenport, Mrs. I. E. Helton, Mrs. Russell Dowdy, Mrs. J. H. Woolfolk, Mrs. Howard Romaine, Mrs. Flinn and Mrs. D. E. Werner.

Scouts—Cecilia Duncan, Judy Morrow, Nancy Haymes, Bobby Rider, Carlette Davenport, Ann Helton, Penny Dowdy, Debbie Woolfolk, Dianne Romaine, Linda Story, Mary Beth Werner and Vicki Mitchell. Leaders—Mrs. Rex Spurlock and Mrs. John Mitchell.

# FARMERS URGED SIGN FOR ACREAGE RESERVE PROGRAM

Marshall county farmers want to put their acreage in the reserve program. The office of the Agricultural Stabilization and Conservation Service is in the county office at once, and not later than Feb. 28. This program is a "first come-first served" basis. Be sure to sign before money is used.

Farmers who wish to have their cropland in the reserve program should contact the ASC office before the deadline. The ASC office is in the county office at once, and not later than Feb. 28. This program is a "first come-first served" basis. Be sure to sign before money is used.

# TRUTH IS ALIVE

How do you explain advanced mathematics to children who know what 2x2 means? You have an equally hard time to explain what he meant the Kingdom of God. (By the comparison of passages show that Kingdom of "God" of "heaven" mean just the same thing.)

We wish to extend our thanks to the neighbors for their kindness, words of encouragement, and the beautiful flowers received during our funeral home. We especially thank the Frank Young for his words and the Col. Young for his charge of arrangements. God bless each one.

### Benefit Show for Rescue Squad to be Held Soon at Aurora

A show for the benefit of the Marshall County Rescue Squad will be held Saturday night, Feb. 23, at the Aurora School.

The show, to be an imitation of the Grand Ole Opry, will be sponsored by the P-TA of the Aurora School.

P-TA members and school pupils will impersonate such stars as Minnie Pearl, Rod Brasfield and many others of Grand Ole Opry fame.

The show will start promptly

at 8 o'clock and the public is cordially invited to attend and help finance the work of the Rescue Squad.

Mr. and Mrs. George Morgan of Benton Route 5 are the parents of twins, a son and daughter, born Wednesday of the past week at Baptist Hospital in Paducah.

Mr. and Mrs. A. E. Cross and family of Dover, Tenn., attended funeral services here Monday for Mrs. Eddie Fisher.

Rudith Kelley of Seattle, Wash., attended funeral services of Mrs. Murrell Kelley here last week.

## County Soil Notes

By HERBERT ANDERSON

Charlie Darnell, east of Palma, is making good progress in saving soil on his farm. Gullied slopes of some fields are now protected by grass. Much of the land was cleared of bushes, limed, fertilized and seeded to perennial pasture plants. A nice herd of whiteface cattle are very proud of the improvements he has made.

Blint Vaughn, Palma, and Estil Overby, Vanzora, became co-operators of the Marshall County Conservation District in January. In most cases the U. S. Soil Conservation Service cannot render assistance to landowners until they become District Co-

operators.

Last week, I traveled over the entire Clarks River Watershed in Marshall County talking to landowners who will be eligible to vote in the referendum Saturday afternoon, March 16. This vote will determine whether they want to organize under Kentucky State Law and form an organization to be known as the Clarks River Watershed Conservancy District.

As I drove over the area, the damages caused by the January 23 flood were easy to see. Four county road bridges were washed out. Road banks, shoulders, and ditches were severely eroded. Where sewers could not take the rapid runoff, the water overtopped the road stopping traffic and washing away the gravel.

The most pitiful sights were bare tobacco patches and corn fields with gullies between each row. Tons of soil were also lost from overgrazed pastures.

All this loss convinced me there is need for protective watershed conservation treatments to slow down the runoff of flood water and prevent loss of soil.

Homer Miller, county agent, tells me that Saturday, Feb. 16, is the last day you can place your order for free TVA trees.

### PERSONALS . . . . .

Ed Rudolph and family have returned to this county and will reside in Benton. They came from Key West, Fla., where they had been for the past two years and where he was in service.

Mr. and Mrs. Lester Allen of Covington and Mr. and Mrs. Jim Allen of Louisville have been recent guests of Mr. and Mrs. Wayne Richardson in Louisville.

Mrs. George Clark and Mrs. Dan Draffen attended the funeral services for the step-daughter, E. F. Francis, at the Lindsey Funeral Home in Paducah Saturday. Mr. Francis was buried in Cadiz, his former home.

Mrs. E. F. Francis of Paducah visited her daughter, Mrs. George Clark and Mrs. Dan Draffen, during the weekend.

Miss Leona Eubank, daughter of Mr. and Mrs. Rude Fendley of Paducah, spent Saturday night with Miss Vicki Wyatt in the home of her parents, Mr. and Mrs. Marshall Wyatt in Benton.

Dr. and Mrs. C. G. Morrow of Benton attended a dinner meeting of Jackson Purchase chiropractors at Paducah last week.

Mr. and Mrs. M. B. Pier of Briensburg attended the Coursey funeral in Benton Saturday.

### UNION PAYS \$315,000 FOR DAMAGE IN STRIKE

The Communications Workers of America Union has paid Southern Bell Telephone Company \$315,000 for physical damage inflicted on the company's facilities during the 1955 strike.

Payment by the union was the outgrowth of a damage suit filed in 1955 by the company. An agreement to this effect was reached by company and CWA attorneys, Southern Bell District Manager B. F. Harwood Jr. announced.

### Employment Rose In Ky. During 1956, Says Security Dept.

Employment of workers covered by Kentucky's job insurance law increased in 1956 over the preceding year, the Economic Security Department reported. The agency added:

The average monthly non-agricultural employment last year (less construction work, on which figures were not available) totaled 591,200 jobs, 19,500 or 3.4 per cent more than the 1955 monthly average.

Manufacturing employment averaged 170,300 jobs throughout 1956, a gain of 4,600 over the preceding year. The major expansion was in non-electrical and transportation equipment.

Non-manufacturing employment averaged 420,800 jobs last year, a gain of 14,800 over 1955. The department said "in terms of employment trends, 1956 was an inconsistent year. During the last six months total employment was up by only 1.1 percent over the same period of 1955, as compared with 3.4 percent for the entire year. Manufacturing employment, which was 2.8 percent above 1955 for the year, was off by 0.5 percent during the last six months."
